MESSAGE

North-western Karnataka Road Transport Corporation is a mammoth public service organisation and its primary responsibility is to provide efficient transport facilities to the commuters and apart from responding effectively to the demands and expectation of the public it is highly important that the Drivers, Conductors and other staff shall behave politely with the commuters.

The State Government is liable to provide public utilities with a greater responsibility. I encourage the proposal to prepare a “commuters charter” by each and every wings of the Government notifying the service and facilities available to the public. The public have inherent right to know the various services and facilities provided to them for the amount they pay.

I am pleased to note the publication of “commuters charter” of the Organisation containing various services facilities and formulation of action plans to resolve the grievances of commuters.

I wish that the “commuters charter” of North-western Karnataka Road Transport Corporation shall be a model to other public service organizations.

R. ASHOK

MESSAGE

North-western Karnataka Road Transport Corporation is a Public Sector Undertaking established to provide Adequate Efficient, Safe and Economical Transport facilities to the travelling public.

The Corporation has introduced Advance Reservation facility under “Awatar” (Any where any time Advance Reservation) system.

Up-grading of Bus stations, operating different type of services like Sleeper-Coach, Volvo, Meghdoot, Mayur and Rajhamsa with attractive promotional fares and also branded services in the larger interest of the travelling public, to avoid un-healthy competition by private operators.

The North-western Karnataka Road Transport Corporation publishing the “Commuters Charter ” regarding the services and facilities provided by the corporation to the information of travelling public as done in other organizations.

The publishing of “ Commuters Charter ” in the interest of Travelling public by NWKRTC and successful achievement of plan is highly appreciable.

I wish every success in publication of “ Commuters Charter ”.
